**THOROFLEX 200**

---

**1. IDENTIFICATION OF THE SUBSTANCE/PREPARATION AND THE COMPANY/UNDERTAKING**

|                            |  |
|----------------------------|--|
| Product Name               | THOROFLEX 200  |
| Recommended use            | Sealing, waterproofing . Joint filler .  |
| Manufacturer / Distributor | BASF Construction Chemicals UK Ltd<br>Albany House, Swinton Hall Road, Swinton<br>Manchester, M27 4DT<br>Tel: +44 161 794 7411 - Fax: +44 161 727 8547<br>Website: www.basf-cc.co.uk |
| Emergency information      | UK : Tel: +44 161 794 7411   |

**2. COMPOSITION/INFORMATION ON INGREDIENTS**

|                          |                    |
|--------------------------|--------------------|
| Chemical characteristics | Ethylene copolymer |
| Hazardous components     | -                  |
| None                     | -                  |

**3. HAZARDS IDENTIFICATION**

|       |      |
|-------|------|
| Risks | None |
|-------|------|

**4. FIRST AID MEASURES**

|              |   |
|--------------|---|
| Eye contact  | No hazards which require special first aid measures |
| Skin contact | No hazards which require special first aid measures |
| Inhalation   | No hazards which require special first aid measures |
| Ingestion    | No hazards which require special first aid measures |

**5. FIRE-FIGHTING MEASURES**

|   |  |
|---|--|
| Suitable extinguishing media  | Water spray, foam, carbon dioxide, dry powder                |
| Extinguishing media which must not be used for safety reasons   | None known   |
| Special exposure hazards arising from the substance or preparation itself, its combustion products, or released gases | Develops CO by incomplete burning.                           |
| Protective equipment  | Wear self-contained breathing apparatus and protective suit. |

**6. ACCIDENTAL RELEASE MEASURES**

|                           |   |
|---------------------------|---|
| Personal precautions      | No special precautions required.              |
| Environmental precautions | No special environmental precautions required |
| Methods for cleaning up   | Collect mechanically.                         |

**7. HANDLING AND STORAGE**

|          |  |
|----------|--|
| Handling | No special handling advice required    |
| Storage  | No special storage conditions required |

**8. EXPOSURE CONTROLS / PERSONAL PROTECTION**

---

**THOROFLEX 200**

---

|                                 |  |
|---------------------------------|--|
| Exposure limits values          | not applicable   |
| Exposure controls :             |  |
| Occupational exposure controls  | not applicable   |
| Environmental exposure controls | not applicable   |
| Personel protection :           |  |
| Respiratory protection          | not applicable   |
| Hand protection                 | not applicable   |
| Eye protection                  | not applicable   |
| Skin and body protection        | Wash hands before breaks and after finishing work.<br>Do not eat, drink or smoke at workplace. |

**9. PHYSICAL AND CHEMICAL PROPERTIES**

|                           |                |
|---------------------------|----------------|
| Form                      | solid          |
| Colour                    | dark grey      |
| Odour                     | odourless      |
| Density                   | not applicable |
| Bulk density              | not applicable |
| pH                        | not applicable |
| Flash point               | not applicable |
| Autoignition temperature  | not applicable |
| Vapour pressure           | not applicable |
| Water solubility          | not applicable |
| Viscosity                 | not applicable |
| Explosion limits :        |                |
| - upper                   | not applicable |
| - lower                   | not applicable |
| Decomposition temperature | not applicable |
| Boiling point/range       | not applicable |
| Other data                | None           |

**10. STABILITY AND REACTIVITY**

|                                  |   |
|----------------------------------|---|
| Conditions to avoid              | none under normal use   |
| Materials to avoid               | None known  |
| Hazardous decomposition products | No decomposition if stored and applied as directed.<br>Develops CO by incomplete burning. |

**11. TOXICOLOGICAL INFORMATION**

|                          |                |
|--------------------------|----------------|
| Acute toxicity :         |                |
| LD50 oral rat            | not applicable |
| LD50 dermal rat          | not applicable |
| LD50 dermal rabbit       | not applicable |
| LC50 inhalation rat      | not applicable |
| Acute effects/symptoms : |                |
| After eye contact        | not applicable |
| After skin contact       | not applicable |
| After inhalation         | not applicable |

---

**THOROFLEX 200**

---

After ingestion not applicable  
Chronic effects not applicable

**12. ECOLOGICAL INFORMATION**

Ecotoxicity effects No hazards resulting from material as supplied.

**13. DISPOSAL CONSIDERATIONS**

Product Dispose according to local regulations for construction materials.  
Packaging Dispose according to local regulations.

**14. TRANSPORT INFORMATION**

General This product is not classified as dangerous in the meaning of transport regulations.

Road transport - ADR  
Railway transport - RID  
Sea transport - IMDG  
Air transport - ICAO/IATA

**15. REGULATORY INFORMATION**

Labelling Labelling according to EU directives concerning preparations: no hazard symbol required.

R-phrase(s) None

S-phrase(s)

**16. OTHER INFORMATION**

Further information  
Relevant changes  
R-phrases of components  
Important Note

The information provided on this MSDS is correct to the best of our knowledge, information and belief at the date of its publication. The information given is designed only as a guidance for safe handling, use, processing, storage, transportation, disposal and release and is not to be considered as a warranty or quality specification. The information relates only to the specific material designated and may not be valid for such material used in combination with any other material or in any process, unless specified in the text.
